

# Real Investments TV

## On the Money

Real Investments TV highlights the latest trends in residential real estate – news magazine style. This program highlights key developments vital to succeeding in this high stakes industry.

## Getting the Edge

We're inside the markets, working with industry professionals to provide topical, multi-layered storylines: from capital markets and lending, to tenant issues, REIT's and residential investor opportunities for young investors.

## Branding your Image

Television and Web-based advertising provides innovative opportunities for image branding. Fulfill your target-marketing objectives with Chandran Media's industry specific programming. Real Investments markets to niche audiences – from real estate agents and realtors to commercial and residential developers – ensuring successful targeted reach.

## Teaming with Success

With a team of industry specific professionals behind every production, Chandran Media delivers. Staff members include media production specialists, along with a number of award-winning writers, producers, editors and videographers.

Make a capitol venture and reap the rewards.

# BRANDING OPPORTUNITIES

## Traditional and New Media Mixes

Television and Web-based advertising provides innovative opportunities for image branding. Fulfill your target marketing objectives with Chandran Media's industry focused programming. Corporate Features and Video on Demand business profiles, show segment sponsorships and commercial production - provide marketing options as unique as they are varied.

## Program Production

With six programs presently in production and more set to air, your marketing solution awaits. Current programming includes Energy TV, Real Investments TV, CEO TV, Energy Investments TV, Mining Industry TV and Inside Fashion TV. Program specific websites further extend your market reach – tapping into the very measurable world of Web advertising.

## About Us

Chandran Media was founded in 2006 by Owner/President Neil Chandran. What started with one TV program airing in one city, has grown into six programs airing across Canada and the U.S. Our full-service production facilities staff close to 100 media professionals - and the growth continues. Franchise opportunities are available by contacting [neilc@chandranmedia.com](mailto:neilc@chandranmedia.com).
